

Data Protection Information according to Art. 13 and 21 GDPR

Dear customer, dear interested party,

In accordance with the provisions of Articles 13, 14 and 21 of the General Data Protection Regulation (GDPR), we hereby inform you about the processing of personal data collected about you and your rights under data protection law in this regard. Which data is processed in detail and how it is used depends largely on the requested or agreed services. In order to ensure that you are fully informed about the processing of your personal data in the context of the performance of a contract or the implementation of pre-contractual measures, please take note of the following information.

3. Data processing for the performance of the contract:

We process your personal data in accordance with the provisions of the European Data Protection Regulation (EU-GDPR) and the German Federal Data Protection Act (BDSG), insofar as this is necessary for the establishment, implementation or performance of a contract or for the implementation of pre-contractual measures. Insofar as the provision of personal data is required for the initiation or implementation of a contractual relationship or in the context of the implementation of pre-contractual measures, processing is lawful pursuant to Art. 6 (1) lit. b GDPR. We process the customer data collected by us pursuant to Art. 6 para. 1b GDPR for the purpose of fulfilling the contract, the associated customer care and the sending of information mail (trade fair invitation, Christmas greetings).

If you give us express consent to process personal data for specific purposes (e.g. forwarding to third parties, evaluation for marketing purposes or advertising), this processing is lawful on the basis of your consent in accordance with Art. 6 (1) lit. a GDPR. Consent given can be revoked at any time with effect for the future (see section 9 of this data protection information). If necessary and legally permissible, we process your data beyond the actual contractual purposes for the fulfilment of legal obligations according to Art. 6 (1) lit. c GDPR. In addition, processing may be carried out to protect the legitimate interests of us or third parties in accordance with Art. 6 (1) lit. f GDPR. If necessary, we will inform you separately, stating the legitimate interest, insofar as this is required by law.

4. Categories of personal data:

We only process data that is related to the establishment of the contract or the pre-contractual measures. This can be general data about you or persons in your company (name, address, contact details, etc.) as well as any other data that you provide us with in the context of establishing the contract.

5. Rights of data subjects:

Data subjects have the right to obtain information from the controller about the personal data concerning them, as well as the right to have inaccurate data corrected or to have it deleted, provided that one of the grounds set out in Art. 17 GDPR applies, e.g. if the data is no longer needed for the purposes pursued. There is also the right to restriction of processing if one of the conditions listed in Art. 18 GDPR applies and, in the cases of Art. 20 GDPR, the right to data portability. If data is collected on the basis of Art. 6 (1) lit. e (data processing for the performance of official duties or for the protection of the public interest) or Art. 6 (1) lit. f (data processing for the protection of legitimate interests), the data subject has the right to object to the processing at any time for reasons arising from his or her particular situation. We will then no longer process the personal data unless there are demonstrably compelling legitimate grounds for the processing which override the interests, rights and freedoms of the data subject, or the processing serves to assert, exercise or defend legal claims.

6. Right to lodge a complaint with a supervisory authority:

Every data subject has the right to lodge a complaint with a supervisory authority if they consider that the processing of the data relating to them fails to comply with data protection provisions. In particular, the right to lodge a complaint may be exercised with a supervisory authority in the Member State of the data subject's place of residence or the place of the suspected infringement. For the federal state of Lower Saxony, the competent supervisory authority is:

Lower Saxony	Die Landesbeauftragte für den Datenschutz Niedersachsen (Lower Saxony state commissioner for data protection) Barbara Thiel Prinzenstrasse 5 30159 Hannover, Germany	Phone: +49 (0) 5 11/120-45 00 Telefax: +49 (0) 5 11/120-45 99 E-mail: poststelle@lfd.niedersachsen.de Homepage: https://www.lfd.niedersachsen.de

7. Recipients of the data:

We only pass on your personal data within our company to those areas and persons who need this data to fulfil contractual and legal obligations or to implement our legitimate interest. We may transfer your personal data to companies affiliated with us, insofar as this is permissible within the framework of the purposes and legal bases set out in section 3 of this data protection information sheet. Your personal data is processed on our behalf on the basis of order processing contracts in accordance with Art. 28 GDPR. In these cases, we ensure that the processing of personal data is carried out in accordance with the provisions of the GDPR. The categories of recipients in this case are providers of internet services and providers of customer management systems and software. If necessary, personal data will be passed on to the companies involved in the processing of this contract (e.g. credit institutions for payment processing).

8. Duration of data storage:

As far as necessary, we process and store your personal data for the duration of our business relationship or for the fulfilment of contractual purposes. This includes, among other things, the establishment of e-mail contacts or the initiation and processing of a contract. In addition, we are subject to various storage and documentation obligations, which result from the German Commercial Code (HGB) and the German Fiscal Code (AO), among others. Finally, the storage period also depends on the statutory limitation periods, which, for example, according to §§ 195 et seq. of the German Civil Code (BGB), are generally three years, but in certain cases can be up to thirty years.

As far as necessary, we store your personal data with a storage period of three or six months.

9. Right of objection:

Insofar as the processing of your personal data is carried out in accordance with Art. 6 (1) lit. f GDPR for the protection of legitimate interests, you have the right, in accordance with Art. 21 GDPR, to object to the processing of this data at any time for reasons arising from your particular situation. We will then no longer process this personal data unless we can demonstrate compelling legitimate grounds for the processing. These must outweigh your interests, rights and freedoms, or the processing must serve the assertion, exercise or defence of legal claims. In individual cases, we process your personal data to carry out direct advertising. You have the right to object to processing for the purpose of such advertising at any time. This also applies to profiling insofar as it is related to such direct advertising. If you object to processing for the purpose of direct advertising, we will no longer process your personal data for these purposes.
